Report of Independent Auditors

The Board of Directors AI4ALL

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of AI4ALL (the Organization), which comprise the statements of financial position as of December 31, 2022 and 2021, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of December 31, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

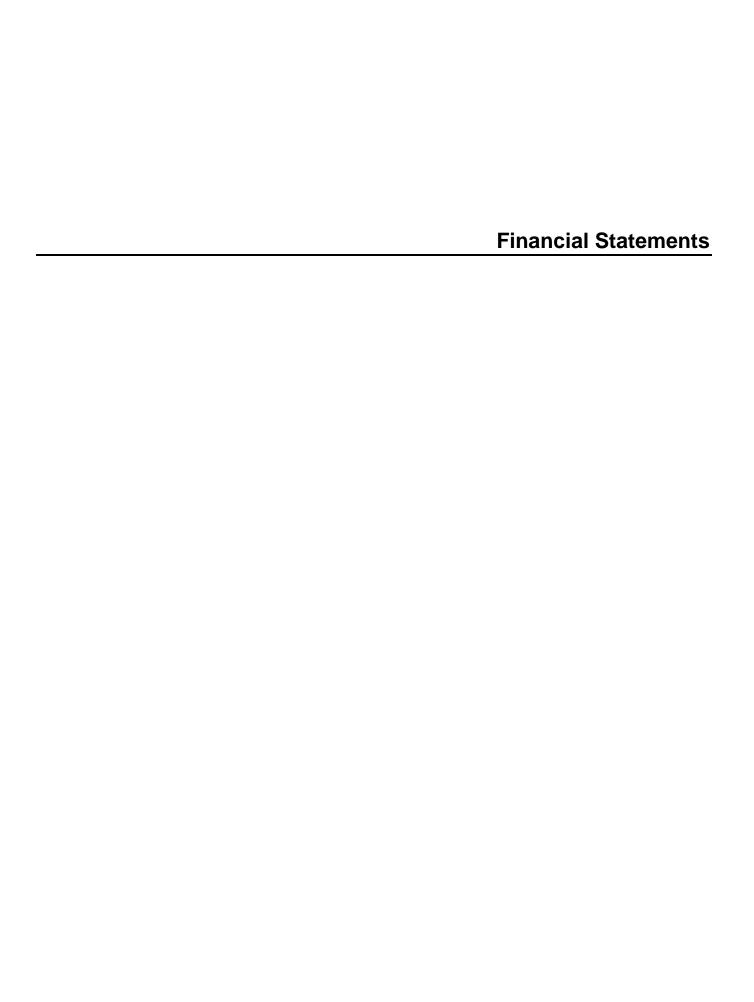

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
 include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
 statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
 accounting estimates made by management, as well as evaluate the overall presentation of the
 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Notes to Financial Statements

NOTE 1 - ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of business – Al4ALL's (the Organization's) mission is to increase diversity and inclusion in Al education, research, development, and policy.

Al4ALL is a national nonprofit that opens doors to the artificial intelligence industry for historically excluded talent through education and mentorship. Al4ALL nurtures a global community of students who learn Al fundamentals and who then apply those principles to influence Al in a positive direction. Al4ALL has empowered thousands of people in all 50 states and globally with Al education. In 2022, 83% of alumni of Summer Programs believed they could be successful in a career in Al or Computer Science, and many are already making significant impacts in the field, from educating their peers to winning "best paper" at top Al conferences. By telling a new story about who can be a leader in Al, the Organization is creating tomorrow's Al leaders and changing technology's future.

Al4ALL launched on June 20, 2017, and incorporated on September 12, 2017. Between 2015 and 2022, Al4ALL Summer Programs grew from one university partnership to fourteen partnerships, allowing Al4ALL Summer Programs to serve a global audience of students from historically excluded groups, including Black, Latinx, and Indigenous students, women, and high school students with demonstrated financial need. These programs have directly served over 1,500 high school students between 2015 and 2022. In 2022, approximately 73% of students reported after the program that they know people in the Al field like them after completing the Summer Program.

In 2022, College Pathways – an initiative designed to spark interest and increase persistence in AI-related careers for college students from historically excluded groups – grew from eight university partners to sixteen partners. The initiative, piloted in 2019 and launched in 2020, provides community, builds on the academic experiences students are having in the classroom, and prepares students to enter an AI career or pursue further AI education after their bachelor's degree with a nuanced understanding of the ethical and societal implications of AI.

College Pathways and Summer Programs students are invited to join the AI4ALL alumni community, Changemakers in AI, through which they access lifelong support, free mentorship programs, leadership opportunities, and other encouragement to increase their participation in AI. In 2022, approximately 1,600 students were members of the Changemakers in AI community.

Al4ALL Open Learning empowers high school teachers of all subjects to bring AI education to their classrooms through a free, adaptable AI curriculum, and teacher resources. This approachable, easy-to-use curriculum focuses on social impact, ethics, and interdisciplinary uses for AI, and makes it easy for high school teachers to equip their students with future-proof skills. As of 2022, AI4ALL Open Learning curriculum and resources reached over 855 high school teachers, who instructed over 4,275 students using AI4ALL's approachable AI curriculum.

Basis of presentation – Al4ALL prepares its financial statements in accordance with generally accepted accounting principles in the United States of America (U.S. GAAP) established by the Financial Accounting Standards Board (FASB). References to U.S. GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

Use of estimates – The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Net assets – Net assets and revenue, gains, and losses are classified based on existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Organization and changes therein are classified and reported as follows:

Without donor restrictions – Represent resources that are not subject to donor-imposed restrictions and are available to support all activities of Al4ALL. A portion of net assets without donor restrictions may be designated by the Organization's Board of Directors as a reserve to be used for core operations as needed. For the years ended December 31, 2022 and 2021, there were no board designated net assets.

With donor restrictions – Resources whose use by AI4ALL is limited by donor-imposed stipulations that either expire by passage of time or fulfillment of programmatic purpose. When the purpose restriction is met, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported as net assets released from restrictions.

Concentrations of credit risk – Financial instruments, which potentially subject the Organization to concentrations of credit risk, consist of cash and cash equivalents. At times, the Organization has cash in financial institutions in excess of the amount insured by the Federal Deposit Insurance Corporation (FDIC).

The Organization has a concentration of credit risk with respect to the volume of business transacted with certain donors. For the year ended December 31, 2022, three donors accounted for approximately 80% of the Organization's contribution revenue. For the year ended December 31, 2021, five donors accounted for approximately 91% of the Organization's contribution revenue. Approximately 100% of grants receivable are from two donors and one donor at December 31, 2022 and 2021, respectively.

Cash and cash equivalents – Cash and cash equivalents are held in a checking account. Cash and cash equivalents have initial maturities at date of purchase of three months or less.

Receivables – Receivables are stated at the amount management expects to collect from outstanding balances after reserves for discounts, bad debts, and allowances, taking into account past experience, contracts, history, and individuals' and organizations' ability to meet their obligations.

Grants represent uncollateralized obligations relating to Al4ALL's grant contracts. Grants receivable are due under the terms of the grant agreements. Grants receivable are recorded at their net realizable value. Grants that are expected be collected after one year from the end of the fiscal year ended are discounted.

Unconditional promises to give are recorded in the financial statements as contributions receivable, and contribution revenue in the period the promise is received. Unconditional promises to give that are expected to be collected in excess of one year are discounted at rates commensurate with the risks involved. An additional discount is added to the present value of contributions, which represents an additional factor due to market, credit, and other risks in the fair value measurements.

Allowance for doubtful accounts – Allowance for doubtful accounts is recorded based on management's analysis of specific accounts and the estimate of additional amounts that may become uncollectible. Accounts are written off against the allowance when they are determined to be uncollectible. As of December 31, 2022 and 2021, management has deemed all receivables to be collectible and has not provided a valuation allowance.

Notes to Financial Statements

Paycheck Protection Program loan – In March 2021, the Organization was granted a loan under the Paycheck Protection Program (PPP) offered by the Small Business Administration (SBA) under the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), for principal amount totaling \$353,600 with a maturity date of April 1, 2026. The loan bears interest at 1% with no payments for the period of 10 months after the end of the borrower's loan forgiveness covered period. The loan is subject to partial or full forgiveness if the Organization uses all proceeds for eligible purposes; maintains certain employment levels; and maintains certain compensation levels in accordance with and subject to the CARES Act and rules, regulations and guidance. On December 10, 2021, the Organization was notified by the SBA that it had completed its review of the Organization's Paycheck Protection Program forgiveness application and that all principal and interest under the loan had been forgiven in full. The Organization has accounted for the loan forgiveness of the loan in accordance with ASC Subtopic 470-50-40 as a debt extinguishment.

Revenue recognition – Contributions, including unconditional promises to give (pledges), are recognized as revenue at the time such commitments are made and confirmed. Contribution revenue is considered without donor restrictions unless a donor-imposed restriction limits the use of such contributions. Contributions with time and/or programmatic restrictions are recorded as revenue with donor restrictions and reclassified as without donor restrictions when time and/or programmatic restrictions are met. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities and changes in net assets as net assets released from restrictions. Corporate sponsorship revenues are considered to be conditional contributions and are recognized as without donor restrictions revenue when the conditions are met.

There were no conditional contributions for the years ended December 31, 2022 and 2021.

In-kind contributions – The Organization recognized the value of donated equipment and/or supplies at the fair value for similar items. Donated services are recognized at fair value if the services meet the recognition criteria prescribed by U.S GAAP, which include a) requiring specialized skills, b) being provided by someone with those skills, and c) having to be purchased if they were not donated. The Organization receives contributed legal services. The value of these in-kind donations are reflected in the accompanying financial statements. In-kind contributions received for the years ended December 31, 2022 and 2021, were \$107,475 and \$131,788, respectively.

Grants awarded – The Organization uses donated funds to issue grants to university and community partners for its programs. Grants include financial support to offset the cost of implementing the programs and are recorded as grant expense when issued. The annual budgets at the program level was reviewed and approved by the Board of Directors.

Conditional grants are expensed and considered payable only in the period the conditions are satisfied in accordance with Accounting Standards Update (ASU) 2018-08, clarifying the scope of the accounting guidance for contributions received and contributions made. For the years ended December 31, 2022 and 2021, there were no conditional grants awarded.

Functional allocation of expenses – The costs of providing programs and other activities of Al4ALL have been summarized on a functional basis in the accompanying statements of functional expenses, which includes all operating expenses incurred during the year. Accordingly, certain costs have been allocated among the program and supporting services benefited. Expenses directly related to a program are distributed to that program. Salaries, fringe benefits and taxes, occupancy, and other costs are allocated among program and supporting services benefited based on full-time equivalent ratios.

Income taxes – AI4ALL is tax exempt under the provisions of the Internal Revenue Service Code Section 501(c)(3) and the California Franchise Tax Board Section 23701d. Accordingly, no provision for income taxes has been reflected in these financial statements. The Organization is not considered to be a private foundation under the Internal Revenue Service Code and could be subject to tax on unrelated business activities, if any, generated by certain activities.

Management evaluated the Organization's tax positions and concluded that they had maintained their tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

Recently adopted accounting pronouncements – In September 2020, the FASB issued ASU 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets* ("ASU 2020-07"), which increases the transparency of contributed nonfinancial assets for not-for-profit organizations through enhancements to presentation and disclosure. The update addresses certain stakeholders' concerns about the lack of transparency about the measurement of contributed nonfinancial assets recognized by not-for-profit organizations, as well as the amount of those contributions used in a not-for-profit organization's programs and other activities. The Foundation adopted ASU 2020-07 for the year ended December 31, 2022, using a retrospective transition for all periods presented in the financial statements. The adoption of this standard has been reflected on the statements of activities and in Note 1 of the financial statements.

Subsequent events – Subsequent events are events or transactions that occur after the statement of financial position date, but before financial statements are available to be issued. The Organization recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of financial position, including any estimates inherent in the process of preparing the financial statements. The Organization's financial statements do not recognize subsequent events that provide additional evidence about conditions that did not exist at the date of the statement of financial position, but arose after the statement of financial position date and before the financial statements are available to be issued.

The Organization has evaluated subsequent events through December 5, 2023, which is the date the financial statements are available to be issued.

NOTE 2 – LIQUIDITY AND FUNDS AVAILABILITY

The following table reflects the Organization's financial assets as of December 31, 2022 and 2021, reduced by amounts not available for general expenditure within one year. Financial assets are considered unavailable when illiquid, not convertible to cash within one year, time restricted, or purpose restricted.

Notes to Financial Statements

Financial assets available to meet cash needs for general expenditures within one year as of December 31:

	2022	2021
Financial assets		_
Cash and cash equivalents	\$ 3,991,023	\$ 5,333,051
Contributions and grants receivable, net	457	11,200
Total financial assets	3,991,480	5,344,251
Less those unavailable for general expenditure within one year, due to:	(2.027.404	\
Programmatic restricted net assets	(2,837,181	(3,580,724)
Financial assets available to meet cash needs for general		
expenditures within one year	\$ 1,154,299	9 \$ 1,763,527

The Organization maintains cash in its checking account to meet at least 180 days of normal operating expenses.

NOTE 3 - CONTRIBUTIONS AND GRANTS RECEIVABLE, NET

Contributions and grants receivable totaled \$457 and \$11,200 for the years ended December 31, 2022 and 2021, all of which were estimated by management to be collected within one year. As such, the discount of contributions and grants receivable were \$0 for the years ended December 31, 2022 and 2021.

NOTE 4 - NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions were available for the following purposes as of December 31:

	 2022		2021
Program use	_		
Summer Programs	\$ 74,621	\$	562,333
Changemakers in Al	791,613		601,147
Open Learning	554,730		783,818
College Pathways	 1,416,217		1,633,426
Total	\$ 2,837,181	\$	3,580,724

All net assets with donor restrictions are expected to be released from restrictions by December 31, 2023.

NOTE 5 - NET ASSETS RELEASED FROM RESTRICTIONS

Net assets released from restrictions by the incurrence of expense satisfying the restricted purposes specified by the donors or by the passage of time during the years ended December 31, 2022 and 2021, amounted to:

		2022		2021
Program use				
Summer Programs	\$	568,852	\$	534,362
Changemakers in Al		521,951		568,804
Open Learning		229,087		597,860
College Pathways		1,217,210		781,950
Total	_\$_	2,537,100	\$	2,482,976

NOTE 6 - RETIREMENT PLAN

Al4ALL has a SIMPLE IRA plan covering eligible employees. Participants can make an elective deferral for any plan year of their eligible compensation, not to exceed the annual dollar limit as permitted by law. Al4ALL elects to make a matching contribution. During 2022 and 2021, Al4ALL made matching contributions of 3% of the first 100% of a participant's compensation contributed to the plan. For the years ended December 31, 2022 and 2021, Al4ALL contributed \$47,927 and \$44,043, respectively. These amounts are included in payroll and payroll-related expenses in the accompanying statements of functional expenses.

NOTE 7 - CONTINGENCIES AND COMMITMENTS

The Organization did not enter any new leases or commitments in fiscal years 2022 and 2021.
